AMENDMENT

An Amendment was filed on January 14, 2004 in response to the Office Action mailed December 11, 2003. Accompanying the Amendment was a Petition for One Month Extension and a check (No. 4805) for \$55.00.

On May 24, 2004, it was discovered that the cancelled check and return postal card was not received by the Applicant's attorney. On May 24, 2004, the Applicant's attorney checked the U.S.P.T.O. website to check the status of the application. The 'status' webpage did not acknowledge receipt of the Amendment. The Applicant's attorney immediately contacted the Examiner who confirmed that the Office had not received the Amendment.

A copies of the Amendment and the Certificate of First Class Mailing is hereby

1 submitted. Also submitted is a credit card voucher (for \$55.00) to replace the check that
2 appears to be lost. Also submitted are copies of the original check, and the Applicant's
3 attorney mailing book listing (highlighted in yellow) showing entries for the return postal
4 card and the First Class postage for the Amendment on January 13 and 14, 2004,
5 respectively.

6 The Applicant now requests that the Amendment be entered into the file.
